

# PET RULES

We appreciate your business and sincerely hope you enjoy your stay with us, whether it's just for a day, or you call us home.

**Please adhere to all of the following pet policies:**

- 1.) Use a pooper-scooper or bag to pick up your pet's poo each and every time they "go", even if it is on your rented space. It is not acceptable to leave the poo on vacant lots, common areas of the park (including the woods), or to dispose of it anywhere other than the trash cans.
- 2.) All pets must be on a leash at all times when not inside your home or the fenced dog play area.
- 3.) Unless your pet is secured inside your home, you must be with your pet at all times. If you use a temporary fence or tie up your pet on your lot, they must never be left alone.
- 4.) Keep your pet's noise under control at all times, even when you're away from home. Dogs may tend to bark when their owner's are gone, and this is disturbing to your neighbors.
- 5.) Do not allow your pet to wander onto your neighbor's lot, or anywhere else around the park, regardless of how well behaved and friendly you believe they are.
- 6.) Management reserves the right to refuse, or ask to leave, any guest with pet(s) that management feels is not suitable for an RV Park environment. In most cases, it is not the size, breed, or number of pets that is at issue, rather it's the ability of the owner to control them and adhere to the above rules that decisions will be made.
- 7.) Guests or residents observed not adhering to these rules will be being asked to remove their pet(s) from the park or risk losing their space rental privileges.

*Thank you again and we hope to see you soon!*
