

Welcome!

TO OUR NEW RESIDENTS AND FRIENDS

MANY MANSIONS COMMUNITY NEWS

We are pleased to announce that Summit Communities is now responsible for all management and operational duties of Many Mansions RV Resort as of August 16, 2016.

Our team at Summit Communities has recently acquired several manufactured home & RV communities in Florida and is pleased to add Many Mansions & Zephyr Palms to our rapidly growing "sunshine" state portfolio. We currently own several properties in neighboring areas such as Jacksonville, Daytona, Clearwater, Sarasota and Orlando. We also have a presence a bit further away in Fort Myers. Our most recent acquisition was our first KOA in Starke, FL.

Our goal is to provide enjoyable, attractive, well maintained, safe and affordable communities with great amenities that our permanent residents are proud to call home, our snow birds look forward to each year and our temporary guests can't wait to visit again.

We recognize how important our residents are in achieving our goal and welcome your input to assist us in providing the best community possible.
